4. (Confidential - JMM) [] and I met with Herb Hoffman, 25X1
Judiciary Committee staff, and reviewed our problems with the Ervin amend-
ment to the Civil Rights bill. See Memorandum for the Record.

5. (Unclassified - PLC) Mr. Jim Pidgeon, in the office of Representative
Martha Griffiths (D., Mich.), called concerning an inquiry he had received
from a constituent inquiring about the Phoenix program in Vietnam. I
referred him to Mr. Colby's testimony in 1971 before the Foreign Operations
and Government Information Subcommittee of the House Committee on
Government Operations. Mr. Pidgeon felt sure that this would suffice;
and if he needed any further information, he would send us a letter.

6. (Internal Use Only - RJK) Delivered to the offices of Representa-
tives John M. Murphy (D., N. Y.), Donald Riegle (R., Mich.) and Senator
George McGovern (D., S. Dak.) FBIS items in which their names were
mentioned.

7. (Unclassified - RJK) In response to requests from the staff,
left a package of Ramsey Clark statements broadcast over Radio Hanoi
at the offices of Senator Harry F. Byrd, Jr. (I., Va.) and Representative
Joel T. Broyhill (R., Va.). (Notified Captain Neal, Army L&L, that we
had made delivery of the Clark statements to Representative Broyhill's
office - See Journal for 18 August 1972.)
